In regard to the Commissioner Room Remodel item on the agenda, Commissioner Culver reported that he has found matching laminate for the addition to the Board table. He has been working with Knisley Construction Company about filling holes in the cement floor and finishing work in the walls. He will contact Ehlers and an electrician for further work. A podium from the Justice Center will be moved into the room also. Glawatz asked if an additional chair can be purchased so that the chairs around the table will match since legal counsel will be sitting at the table rather than at a desk as previously. Fleischman suggested buying all new chairs. Gausman said he thought a chair could be found that would be similar to the ones the Commissioners are already using.
