### City of Seward Sales and Use Tax Issue

Shall the City Council of the City of Seward, Nebraska, increase the local sales and use tax rate by one-half of one percent (0.50%) upon the same transactions within the City of Seward on which the State of Nebraska is authorized to impose a tax, with all revenues generated by the additional one-half percent (0.5%) to be used for public infrastructure projects under the following terms and conditions?

- (1) Revenues generated by the additional one-half of one percent (.50%) shall be used to pay the costs to construct, acquire, improve, furnish, and equip public infrastructure improvements of the City, which shall include a wellness center to be owned by the City.
- (2) Expiration of Tax Rate Change. The increased sales and use tax rate will be implemented and related revenues collected beginning as soon as practicable after voter approval and continuing for a period of ten (10) years, unless bonds are issued with some or all of the additional revenues pledged for payment of such bonds, in which case the increased sales and use tax rate will remain in effect and additional revenues will be collected until payment in full of such bonds and any refunding bonds.
- (3) Interlocal Agreement. The City of Seward and Seward County School District 0009 have entered into an Interlocal Agreement for the long-term development of unified governance of public infrastructure projects in the City. Additional revenue collected from the additional one-half percent (0.5%) sales and use tax will not be used for the purposes of such Interlocal Agreement, but will be used for the public infrastructure projects of the City of Seward as described above.

- I vote FOR authorizing an increase of one-half percent (.5%) in the City of Seward’s local sales and use tax under such terms and conditions
- I vote AGAINST authorizing an increase of one-half percent (.5%) in the City of Seward’s local sales and use tax under such terms and conditions

*If a majority of the votes cast upon such question shall be in favor, then the governing body of the City of Seward shall be empowered as provided by Section 77-27,142 to levy said sales and use tax and shall proceed to impose a tax pursuant to the Local Option Revenue Act. If a majority of those voting on the question shall be opposed to such tax, then the governing body of the City of Seward shall not impose such sales and use tax.*
